IF YOU DO NOT AGREE WITH THESE TERMS, OR DO NOT HAVE THE AUTHORITY TO BIND YOUR COMPANY, DO NOT INSTALL, REGISTER FOR OR USE THE PRODUCT. CDATA SOFTWARE, INC. IS THE LICENSOR OF THE PRODUCT AND MAY BE REFERRED TO HEREIN AS "Licensor", "we", "us", or "our". IF YOU ARE AGREEING TO THIS EULA ON BEHALF OF YOURSELF IN YOUR INDIVIDUAL CAPACITY, THEN YOU ARE THE LICENSEE AND YOU MAY BE REFERRED TO HEREIN AS "Licensee", "you", or "your". IF YOU ARE AGREEING TO THIS EULA ON BEHALF OF YOUR COMPANY, THEN YOUR COMPANY IS THE LICENSEE AND ANY REFERENCES TO "Licensee", "you", or "your" WILL MEAN YOUR COMPANY.

### **GENERAL & PRODUCT SPECIFIC TERMS**

This EULA contains two parts: (a) Part I sets out the general terms which apply to all Products ("General Terms") and (b) Part II sets out terms which are specific to certain Products referenced in the section ("Product Specific Terms"). To the extent there is a conflict between the Product Specific Terms and the General Terms, the Product Specific Terms shall prevail. This EULA does not apply to any portions of CData-hosted offerings.

### **PART I: GENERAL TERMS**

#### **(1) GENERAL LICENSE TERMS, RESTRICTIONS AND ORDER OF PRECEDENCE.**

(1.1) General License Terms. Our proprietary software and applications ("Product") are licensed, not sold, to you by us under the scope and terms of this EULA, the Quote, and the Product Specific Terms as applicable. Depending on the type of Product, you may obtain a license from us to use such Product on a limited fixed term basis ("Subscription License") or on a perpetual basis ("Perpetual License") to the extent available for such Product. For certain Products that are offered by our licensed partner for use with the partner's solution, your license to such Product is solely for use with the partner's solution notwithstanding anything to the contrary contained in this EULA or in any terms required or applied by the partner. As used herein "Authorized Reseller" means a third party who is not our Affiliate and who is authorized by us or our Affiliate to resell the Product; "Quote" means an electronic order document agreed to by you and us (or our Affiliate or an Authorized Reseller) for the Product and unless a Quote says something different, each Quote will be governed by the terms of this EULA and include the name of the Product being licensed and any usage limitations, applicable Fees, and any other details related to the transaction; and "Affiliate" means any legal entity that directly or indirectly controls, is controlled by, or is under common control with you or us. For the purposes of this definition, "control" means

ownership, directly or indirectly, of more than fifty percent (50%) of the voting shares or other equity interest in an entity.

(1.2) Your Cloud Environment. You may upload the Product(s) licensed to you pursuant to this EULA onto your own cloud instance or a cloud instance supplied by a third party, provided that the operation of the Product(s) in the cloud instance complies with all license restrictions and usage limitations applicable to the Product(s). You may also allow the third party to upload, install, operate and/or use the Products on the cloud instance, provided that the third party's access to and use of the Products is solely on your behalf, for your benefit, and in accordance with the terms of this EULA. The third party will be considered a Permitted Third Party (as defined below), and you will be responsible for the Permitted Third Party's compliance with this EULA in accordance with the section titled Third Party Use.

(1.3) Authorized Users. Anything you, your employees or a third-party consultant or agent that you authorize to use the Product ("Authorized Users") do or fail to do will be considered your act or omission, and you accept full responsibility for any such act or omission by your Authorized Users to the extent you would be liable if it were your act or omission.

(1.4) Third Party Use. You may allow your agents, contractors and outsourcing service providers (each a "Permitted Third Party") to use the Product(s) licensed to you hereunder solely for your benefit in accordance with the terms of this EULA and you are responsible for any such Permitted Third Party's compliance with this EULA in such use. Any breach by any Permitted Third Party of the terms of this EULA will be considered your breach.

(1.5) Restrictions. Except as otherwise expressly permitted in this EULA, you will not and will not allow any of your Affiliates or any third party to: (A) copy, modify, adapt, translate, or otherwise create derivative works of the Product or Documentation; (B) disassemble, decompile or "unlock," decode or otherwise reverse translate or engineer, or attempt in any manner to reconstruct or discover the source code or underlying structure, ideas, or algorithms of the Product except as expressly permitted by applicable law in effect in the jurisdiction in which you are located; (C) rent, lease, sell, distribute, pledge, assign, sublicense, or otherwise transfer or encumber rights to the Product; (D) make the Product available on a timesharing or service bureau basis or otherwise allow any third party to use or access the Product; (E) remove or modify any proprietary notices, legends, or labels on the Product or Documentation;

(F) use or access the Product in a manner that: (i) violates any national, federal, state, and local laws, rules, and regulations including without limitation, those laws and regulations relating to data privacy and security in each applicable jurisdiction ("Applicable Laws"); (ii) violates the rights of any third party; (iii) purports to subject us or our Affiliates to any other obligations; (iv) could be misleading or fraudulent; or (v) is not permitted under this EULA; (G) use the Product, or assist another to use the Product, to develop, test, support, or market products that are competitive with and/or provide similar functionality to the Product; or (H) permit your Affiliates to access or use the Product unless specifically authorized elsewhere in this EULA or the Quote. As used herein "Documentation" means any technical instructions or materials authored by CData describing the operation of the Product made

available to you electronically by use for use with the Product, expressly excluding any user blogs, reviews, or forums.

(1.6) Limitations on Evaluation or Trial Licenses. If the Product is licensed to you on an evaluation or trial basis, then you may use the Product only for such purposes, and subject to all the restrictions detailed herein, until the earlier of: (a) the end of the evaluation period, if any, specified in the Quote, this EULA or otherwise communicated by us to you at the time of delivery; (b) the start date of a paid for license to the Product; or (c) termination in accordance with the terms of this EULA. You may not extend the evaluation period by uninstalling and re-installing the Product(s) or by any other means other than our written consent. You must not use the Product in a production environment. You will be required to pay for a license for the Product at our then-applicable license fee if you continue to use the Product, whether in a production or non-production environment, after the evaluation license expires or terminates, and the terms and conditions of the EULA in effect at that time will apply to your continued use of the Product. If you choose not to continue to license the Product after the evaluation period, you shall delete and destroy the Product and all copies thereof in your possession or control. A Product licensed to you on an evaluation or trial basis may be subject to one or more usage limits specified in the Product Specific Terms, the Quote or otherwise communicated at the time of delivery (including posting of such limits at the location where you download the Product for evaluation). We may, at our sole discretion, decide whether to offer any maintenance and support for the Product during the evaluation period, and to include any additional conditions or limits on such maintenance and support. You may not circumvent any technical limitations included in the Product licensed to you on an evaluation or trial basis.

(1.7) Delivery. Unless otherwise specified by us, the Product will be provided to you via electronic delivery, and delivery is deemed complete when the Product(s) is/are made available at the electronic software download site specified by us and you are e-mailed or otherwise provided with any necessary instructions, password and/or license keys required for you to be able to access, download and install the Product(s).

(1.8) Updates. Each update, enhancement, error correction, modification or new release to the Product that we make available to you ("Update") replaces part or all of the Product (or earlier Update) previously licensed to you ("Replaced Product") and will terminate such previously licensed Replaced Product to the extent replaced by the Update; provided, however, that you may continue to operate the Replaced Product for up to thirty (30) days from delivery of the Update to the extent required for you to complete your implementation of the Update. You must cease all use of the Replaced Product, and delete and destroy the Replaced Product and all copies thereof in your possession or control, at the end of the thirty- (30) day period. Each Update will be subject to the terms and conditions of the license agreement accompanying the Update, which must be accepted by you at the time you download or install the Update. If you do not agree to the license agreement accompanying the Update, do not download or install the Update.

(1.9) Order of Precedence. To the extent there is any conflict between the terms and conditions in the Quote and the terms and conditions of this EULA, or if the Quote changes any of the terms of this EULA, the terms and conditions of the Quote will apply. In the event of

an order between you and an Authorized Reseller authorizing you to use the Product, any terms and conditions in such order imposing obligations on the Authorized Reseller that are in addition to or different from the obligations we have to you pursuant to this EULA will be borne solely by the Authorized Reseller in addition to the terms of this EULA, and our obligations to you and limits on our liability will be governed

solely by the terms and conditions of this EULA. Except as expressly detailed herein, any terms and conditions that conflict with or would otherwise alter any of the terms of this EULA will have no effect unless expressly agreed to in an additional written instrument executed by us.

(1.10) License Compliance. You will maintain records in connection with this EULA and the use of the Product and any Updates and/or services provided hereunder. Such records will include at a minimum the number of licenses procured and being used by you. With reasonable written notice to you, we may request that you perform a self-audit of the records, and if necessary and as applicable, the systems on which the Product or any Update is installed for the sole purpose of ensuring compliance with the terms of this EULA. You agree to share with us copies of all records referenced herein, as well as Product log files and other information reasonably requested by us promptly following such request, but in no event more than five (5) business days following receipt of our written request (or such longer period, if applicable, that we specify in the written request). We will treat all such information obtained or accessed by us during the audit as confidential information pursuant to this EULA for use by us only as necessary to ensure compliance with and enforcement of the terms of this EULA. If any audit reveals that you have underpaid license, maintenance, and support or Subscription License Fees, and/or that your usage of the Product does not comply with the terms of this EULA, we invoice you for all such underpaid Fees based on our list price in effect at the time the audit is completed, and/or you shall correct any non-compliant usage to bring it into compliance with the terms of this EULA. If the underpaid Fees exceed five percent (5%) of the Fees previously paid by you, then you will also pay our reasonable costs of conducting the audit and enforcement of this EULA.

## (2) PRICING, PAYMENT AND RENEWAL.

(2.1) Fees. Applicable fees for licensing the Product directly from CData in accordance with this EULA are available on our website or via a Quote and are subject to change at any time ("Fees").

Unless you have procured a license to our Product through an Authorized Reseller, we or our payments collection agent will charge the Fees to the payment method you have chosen for procuring the license and send a receipt to Your email address. We or the Authorized Reseller will also share with you the type of license you have (Subscription or Perpetual), the term of your license (if you have procured a Subscription License), what versions of the Product are being licensed, the number of permitted devices on which you may deploy the Product (if applicable), the type of support service and term of such service (if any), the Fees charged, the applicable taxes, the license key required to activate the Product, and any other terms specific to the Product in question. All amounts payable under this EULA are non-refundable and without set-off or counterclaim. We or our payments collection agent may send you one or more reminders to renew your Subscription License before the expiry of its term ("Expiry"). If you choose not to renew, you shall promptly delete and destroy the Product and all copies thereof in your possession or control as of the Expiry.

(2.2) Payment Terms. All Fees payable to us are payable in the currency specified in the Order, or if no currency is specified then in United States Dollars, are due within 30 days from the invoice date and, except as expressly specified herein, are non-cancellable and non-refundable. We may charge you interest at the highest rate permitted by law on all overdue payments. If you and we agree that you will pay by credit card, you will provide us with valid and updated credit card information and you authorize us to bill such credit card for all Fees applicable at the time that you order the Product or any renewal.

(2.3) Taxes. All Fees are exclusive of any taxes, levies, or duties. You are wholly responsible for any taxes that may arise out of the EULA or your procurement or use of the Product. Notwithstanding the foregoing, sales tax, goods and services tax (GST) or value-added tax (VAT) may be charged in accordance with applicable laws and regulations. You confirm that we can rely on the "bill to" name and address you have provided at the time of ordering or paying for the Product license ("Bill to Name and Address") as being the place of supply for sales and income tax purposes or VAT purposes, and you shall keep the Bill to Name and Address updated at all times. You shall reimburse us for the amount of any such taxes or duties which we have paid or incurred directly as a result of our transactions with you, and you agree that we may charge any such reimbursable taxes to any payment method you have used to pay the associated Fees.

(2.4) Orders between You and Our Authorized Reseller. Notwithstanding the terms of this section, if you procured your license to the Product and/or maintenance and support from an Authorized Reseller, then the Fees will be set out in the order between you and the Authorized Reseller. The Authorized Reseller may be responsible for billing and/or collecting payment from you and if so, the billing and collection terms agreed to between you and the Authorized Reseller may differ from the terms set out in this section.

(2.5) No Reliance on Future Availability of any Product or Update. You agree that you have not relied on the future availability of any Product or Updates in your procurement decision or in entering into the payment obligations in your order.

(3) SUPPORT. If we offer and you purchase maintenance and support for the Product, then it will be provided in accordance with our then current maintenance and support policies for the applicable Product in effect at the time of purchase. If you obtain a Subscription License to the Product, then maintenance and support (if offered by us) is included in the Subscription License Fees for each subscription period. We may offer free support as outlined on our website and we reserve the right to change the scope of free support we provide and the applicable terms and conditions of such support at any time in our sole discretion and without notice to you.

#### (4) IP OWNERSHIP AND FEEDBACK.

(4.2) Content. You own and are responsible for data, information, material or other content, including, contacts, and files, that you use in conjunction with the Product, transmit through the Product, or create resulting from the use of the Product("Content"). You shall be solely responsible for the accuracy, quality, integrity, legality, reliability, appropriateness, and intellectual property ownership or right to your Content. Further, by submitting Feedback, you represent and warrant that: (i) your Feedback does not contain the confidential or proprietary information that belongs to any third parties; and (ii) you are not entitled to any compensation or reimbursement of any kind from us for the Feedback under any circumstances. You further understand and agree that CData is not under any obligation of confidentiality, express or implied, with respect to the Feedback, and that CData may currently be considering or developing ideas or materials similar to the Feedback.

information and the circumstances surrounding its disclosure and agrees to make no use of such information and know-how except as such usage is expressly authorized under the terms of this EULA. However, neither party will have an obligation to maintain the confidentiality of information that: (a) it received rightfully from a third party without an obligation to maintain such information in confidence; (b) was known to the receiving party and not subject to confidentiality obligations prior to its disclosure by the disclosing party; (c) is or becomes a matter of public knowledge through no fault of the receiving party; or (d) is independently developed by the receiving party without use of the confidential information of the disclosing party. Further, either party may disclose confidential information of the other party as required by governmental or judicial order, provided such party gives the other party prompt written notice prior to such disclosure (unless such prior notice is not permitted by applicable law), cooperates with the disclosing party's attempts to keep such information confidential, and complies with any protective order (or equivalent) imposed on such disclosure. You will treat any source code for the Product as our confidential information and will not disclose, disseminate, or distribute such materials to any third party without our prior written permission. Each party's obligations under this section will apply during the term of this EULA and for five (5) years following termination of this EULA, provided, however, that (i) obligations with respect to source code and security and network infrastructure will survive forever and (ii) trade secrets will be maintained as such until they fall into the public domain. Each party may disclose the other party's confidential information to its Representatives only if those Representatives have a need to know about it for purposes of the parties' business relationship and are required to protect the confidential information pursuant to terms substantially similar to those in this Agreement. "Representative" means an employee or contractor of a party.

(5.2) Product Benchmark Results. You acknowledge that any benchmark results pertaining to the Product are our confidential information and may not be disclosed or published without our prior written consent. This provision applies regardless of whether the benchmark tests are conducted by you or us.

(5.3) Remedies for Breach of Confidentiality Obligations. Each party acknowledges that in the event of a breach or threat of breach of this section, money damages will not be adequate. Therefore, in addition to any other legal or equitable remedies, the non-breaching party will be entitled to seek injunctive or similar equitable relief against such breach or threat of breach without proof of actual injury and without posting of a bond.

(6) DATA PRIVACY. You will not transfer to us and we do not access, collect, store, retain, transfer, use or otherwise process in any manner any data or information that is subject to regulation under applicable international, federal, state, provincial and local laws, rules, regulations, directives and governmental requirements currently in effect and as they become effective relating in any way to the privacy, confidentiality or security of Protected Data including, without limitation, the European Union Directives and Regulations governing general data protection and all applicable industry standards concerning privacy, data protection, confidentiality or information security ("Applicable Data Protection Law") in connection with this Agreement, including without limitation Personal Data, Protected Health Information and Personally Identifiable Information (as such terms are defined in Applicable

Your exclusive remedy, and our sole liability, with respect to any breach of this warranty will be for us to use commercially reasonable efforts to promptly correct the non-compliance (provided that, you notify us in writing within the warranty period and allow us a reasonable cure period). If we, at our discretion, reasonably determine that correction is not economically or technically feasible, we may terminate your license to the Product and provide you a prorated refund of the prepaid Fees for the unused portion of the license period. Delivery of additional copies of, or Updates to, the Product will not restart or otherwise affect the warranty period. This warranty does not cover any Product provided on an unpaid evaluation or trial basis, or defects to the Product due to accident, abuse, service, alteration, modification or improper installation or configuration by you, your Affiliates, your or their personnel or any third party not engaged by us.

TO THE EXTENT THAT WE MAY NOT AS A MATTER OF APPLICABLE LAW DISCLAIM ANY IMPLIED WARRANTY, THE SCOPE AND DURATION OF SUCH WARRANTY WILL BE THE MINIMUM PERMITTED UNDER APPLICABLE LAW.

#### (8) LIMITATION OF LIABILITY AND DISCLAIMER OF CERTAIN TYPES OF DAMAGES.

(8.1) Limitation of Liability. The Product may include third party software components (collectively, Third Party Dependencies) including programs that are available under either their own license, or an open source or free software license (each a Third Party License) and distributed, embedded or bundled with the Product or recommended in connection with the Product's installation and use. If the Product is being acquired by or on behalf of the U.S. Government or by a U.S. Government prime contractor or subcontractor (at any tier), then the U.S. Government's rights in the Product will be only as set out herein except that this Agreement shall be governed by federal law.
